Pre-used Disability Access Modular Bathroom for sale

This Disability Access Modular Bathroom was purchased back in early 2017. It was installed at a property whilst internal & external modification work was been completed for a disabled person. The bathroom was fully assembled and all these standard disability items are included.

These are listed below:

Caroma Care 500 basin with Plug &Waste
Con-serv Hosfab ID 018-20CW shower rose and grab rail L/H
Caroma Cosmo Care P or S trap toilet suite
Single lever tap ware for basin
Con-Serv CF800SS 800mm grab rail
Single lever tap ware for shower
Con-serv BA712C toilet paper holder
Con-Serv BR395 WC back rest
Con-serv CF966SS 840x700 toilet grab rail
Con-Serv BA701C soap dish
Con-Serv BA715C double robe hook
Con-Serv BA-701C shower shelf
Con-Serv SS964SS 960 x 400mm fold down shower seat

All these products along with a ceiling mount exhaust fan, down light and switch for light and fan where pre-fitted to the bathroom. The bathroom was used for approximately 15 months. The bathroom was removed, de-assembled and bought back to a South Windsor (NSW) factory. The hot & cold water plumbing has been removed from the bathroom. The purchaser will need to have a plumber supply and install new hot & cold pipe work to the bathroom.

The bathroom is to be picked up from South Windsor by the purchaser. We will forklift the panels out of the factory onto the hard stand area outside the factory for the purchaser to load onto a truck or trailer. The Bathroom base, ceiling and walls panels are extremely large. The base panel is 2.800m x 2.300m and weights about 140kg. All other panels weight approx 30kg.

The interior wall of the bathroom is a white gel coat finish with a tiled wall effect embossed into it. The floor is a non slip grey stone colour finish as per the photos. Price for this bathroom is \$8800.00 including gst. Standard price is \$13599.00 including gst. Please note there is no warranty on the bathroom or fittings.
